<http://mari.umich.edu/university-center-language-literacy>

The University Center for Language and Literacy offers intensive language and literacy interventions, evaluations, and consultations. During the spring, summer, and fall, UCLL offers the Preschool And Communication Therapy (PACT) and Core PACT programs, that address the communication needs of children, ages 18 months-4 years, who struggle with language. Individual therapy is also offered for children with language disorders, including autism spectrum disorder and learning disabilities.

Essential oils have been used for thousands of years to promote health and wellness naturally. Different learners could benefit from their ability to support areas such as mental clarity, concentration, relaxation and mood. These are just a few of the vast areas essential oils can support. Come explore which ones are best for you and your family.
